Welcome back:

I'm coordinating with Benco to meet with him and his tech team next week in St. Louis on the 18th, post OSRTI meeting. Lynn, Alyse, me and you.

Victoria, Paul,

I've been out of the office for a while and am trying to get up to speed on various of the West Lake moving parts. With respect to the request letter EPA sent you on August 26th requesting bird mitigation plans for the three proposed IB alignments, do you need further clarification from us on what is being asked of you? We could have a call at your convenience.

Sincerely,
